# Sweet Success Insulin Pump Use in Pregnancy (Continuous Subcutaneous Insulin Infusion)

**February 8, 2008**  
California Diabetes & Pregnancy Program  
Staff Development Classroom  
Mountain View Plaza  
11215 Mountain View Ave., Suite 179  
Loma Linda, CA 92354

A Regional Perinatal System Program supported in part through contracts with the state of California Department of Health Services: MCAH Branch, Title V Funds

## Program Overview

This program is designed to provide advanced training in the care of the woman with diabetes during pregnancy. It is intended for Sweet Success affiliate staff and healthcare providers who wish advanced training in caring for women who have a pregnancy complicated by diabetes. Attendees will have the option of using CSII (saline) during the training.

A two day Affiliate Training will be offered February 6 & 7, 2008 by the Loma Linda University Children's Hospital, Region 7 of the California Diabetes & Pregnancy Program. Please contact our office at (909) 558-3936 for more information.
